Profile on AAA Risk Management

We are a UK based international risk management training consultancy servicing clients from the UK, Europe and the Middle East. The founder of the company is the co-author in the development **i-MoRU** training course with the IRM.

We deliver training at our locations and in-house, and have delivered courses to businesses, charities, NGOs and government agencies in risk identification, risk control, risk management and corporate governance.

Trainer Profile - Amrita Reddy BSc(Hons), PGCE, MIRM, TechSP

Amrita is the Training and Development Manager at AAA Risk Management Limited.

She has a degree in Psychology from the University of Salford, a PGCE teaching qualification from the University of Liverpool, NEBOSH Diploma in Health and Safety and a Diploma in Risk Management from the Institute of Risk Management (IRM), Amrita, formerly in teaching, has been training for over 25 years. Her studies continue with her studying for Fellowship of the IRM. Other areas of training experience are in ergonomics, stress management and office environments.

With her previous company, she set up and managed a training centre which delivered risk management courses such as the IRM International Management of Risk and Uncertainty (iMoRU) to over 200 delegates from the UK and overseas. Delegates came from multi-nationals, social enterprises, NGOs, charities, banking and insurance, government agencies. It became the largest UK provider of iMoRU outside of London.

She has delivered risk management courses overseas on many occasions, the most recent being Hong Kong and Malaysia.

Amrita has trained delegates from the following organisations.
